## TASTES TO TRY

*For this annual guide, F&W editors search out the most exciting new foods to taste, restaurants to try, places to visit and drinks to enjoy. We hope you'll get to sample all 100 by next New Year's Eve—and be ready to start again!*

### TASTES TO TRY

## FOOD

**71 yukon river salmon** Until recently, this ultrafatty Alaskan fish—which bulks up for its 2,000-mile spawning trip—was a rare sight in U.S. restaurants. Now, chefs like Rick Moonen love it for its richly flavored, omega-3-loaded flesh.
